

EXPLORE THE GROVE : *Tour & Tasting*

This immersive experience includes:

- || A guided tour of our olive grove, where you will learn about the history of olive oil making, our sustainable farming practices, and the olive tree varieties grown on our land. You'll get an in-depth understanding of how olive trees are cultivated and how the environment, soil, and climate influence the flavor of the oil.
- || A visit to our olive press, where you will understand the process of turning freshly harvested olives into our extra virgin olive oil.
- || An expert-led olive oil tasting, where you'll sample a selection of our finest extra virgin olive oils, experiencing the delicate flavors and aromas that make our oil truly unique.

Price: 75 euros per person

GROVE & BITES : *Tour, Tasting & Food Pairing*

This enhanced experience includes everything from the Explore the Grove tour, plus:

- || A carefully curated food pairing experience featuring both sweet and savory tastings, specially designed to complement our extra virgin olive oils and highlight the vibrant, regional flavors of the mediterranean diet.
- || The food pairing will showcase local organic ingredients and give you an opportunity to try out our flavored olive oils in delicious and unexpected combinations as well.

Price: 150 euros per person
